## Heading for HILTON HEAD 2011

**OCTOBER 22nd to 29th**  
**This fall trip has become one  
of our most popular for good  
reason . . .**

You can't beat the price for a week of oceanfront living at the Island Club, the best vacation value on Hilton Head Island. Our 2- and 3-bedroom condos will have a beautiful oceanfront view, and it is only a short walk over to free tennis each morning on the resort's nine courts. There is a nearby pro shop that offers lessons. If you want to relax, head for the 3 terraced swimming pools or exercise room and jacuzzi. In the neighborhood, there are bike trails, golf courses, fishing, and shopping, all just a 10-minute or less drive away. Your trip leader will arrange events of interest to the group.

BRING A FRIEND!

**Don't wait too long – this  
trip fills up quickly!!**
